On behalf of the UBBI and the Bar B Arena we want to thank everyone for participating. Good Luck and we will see you in Mineral Wells, Texas.

Randy Schmutz  
UBBI General Manager

Some things to consider that will make your UBBI competition experience more pleasant and allow our staff to better take care of your livestock while at a UBBI event.

**Make sure you bulls are permanently identified as per the UBBI rule book:**

**3 IDENTIFICATION**

- 3.1 Bulls must be fire or freeze branded permanently with a permanent identification number. Brand must be readable.
- 3.2 UBBI reserves the right to disqualify any bull entered due to discrepancies in identifying bull or bulls in competition.

It is also a good idea to place a readable ear tag in your bulls ear with his fire brand and / or Ranch or Owner's name and to remove any ear tags that display a conflicting number.

**Make sure you have the proper Health Papers as per the UBBI rule book:**

**9 HEALTH REQUIREMENTS**

- 9.1 Bulls competing at UBBI sanctioned or co-sanctioned events will be required to have a Certificate of Veterinary Inspection with results of a negative TB test and a negative Brucellosis test, unless otherwise posted in Event Details. These tests must have been performed during the calendar year of competition. A Certificate of Veterinary Inspection with these test results must be presented at check-in.
- 9.2 Additional requirements for individual states may differ, check with your state licensed Veterinarian to confirm any additional requirements.
- 9.3 UBBI, Event Producer and/or Association may request additional testing.
- 9.4 Special Ground Rules regarding Health Requirements may apply to specific events and will be posted in Event Details.

**Make sure your bull's horns are tipped as per the UBBI rule book:**

**10 HORNS**

- 10.1 All competing **Futurity** bulls must have their horns tipped to the size of a 25 cent piece prior to arriving at check in for the event (broken or loose horns are excluded from this rule).
- 10.2 At the discretion of a judge or event official, if an un-tipped or inadequately tipped animal arrives at a UBBI sanctioned or co-sanctioned futurity, the bull MUST be tipped, prior to competition and may be subject to a fine. Bulls will NOT be tipped on-site at event location.
- 10.3 Failure to comply may result in forfeit or loss of any and or all entry fees and related expenses to the owner. All penalty money collected will be added to the "EVENT" purse.

**41 HORNS**

- 41.1 All competing **Derby / Classic** bulls must have their horns tipped to the size of a 50 cent piece prior to arriving at check in for the event (broken or loose horns are excluded from this rule).
- 41.2 At the discretion of a judge or event official, if an un-tipped or inadequately tipped animal arrives at a UBBI produced, sanctioned or co-sanctioned futurity, the bull MUST be tipped, prior to competition and may be subject to a fine. Bulls will not be tipped on-site at event location.
- 41.3 Failure to comply may result in forfeit or loss of any and or all fees and related expenses to the owner. All penalty money collected will be added to the "EVENT" purse.

We hope you enjoy the competition and good luck to everyone!
